

2025 Virtual T1 to T4 in 3 (Minutes) Challenge

**FREE
EVENT!**

Friday, October 3rd | 9am
online- competition

WHAT IS THE T1 to T4 in 3 (Minutes) Challenge?

This event highlights multidisciplinary UT Health San Antonio research projects that fall within the spectrum of translational science. Presenters share their research in-person for 3 minutes to a live, mixed audience of community members, students, and faculty utilizing language and concepts that are easy to understand – with 1 slide.

WHY SHARE RESEARCH FINDINGS?

This is an opportunity to engage with the community and different disciplines to help increase the reach, effectiveness, uptake, and implementation of health research.

ELIGIBILITY CRITERIA FOR PRESENTERS

Category 1: *Community members* who have partnered with a UT Health San Antonio investigator on a community-engaged health research project

Category 2: *UT Health San Antonio Translational Science Students, K12 Scholars and T32 Trainees*

TRAVEL AWARD PRIZES

1st place - \$750 | 2nd place - \$500 | 3rd place - \$250

[Register presenters and audience register here!](#)

*Community members, faculty,
staff, and students are invited!
Space is limited!*
