

2022 Virtual T1 to T4 in 3 (Minutes) Challenge Recap

The IIMS hosted its 2022 *T1 to T4 in 3 (Minutes) Challenge* on June 22nd. This cross-collaborative event between the IIMS Community Health Advisory Board (CHAB), Community Engagement, and the Office of Research Education & Mentoring (OREM) gives community members and IIMS trainees a venue to present their research in 3 minutes to a live mixed audience of community members, faculty, staff and students. Presenters use language and concepts that are easy to understand with 1 slide.

Congratulations!
