

THE INSTITUTE FOR INTEGRATION OF
MEDICINE & SCIENCE PROUDLY PRESENTS:

2021 Virtual T1 to T4 in 3 (Minutes) Challenge

**FREE
EVENT!**

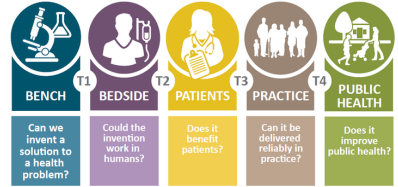

Wed. July 7, 2021 | 9am - 11am

WHAT IS THE T1-T4 in 3 (Minutes) Challenge?

This virtual challenge highlights multidisciplinary UT Health SA research projects that fall within the spectrum translational science. Presenters share their research in 3 minutes to a live, mixed audience of community members, students, and faculty utilizing language and concepts that are easy to understand – with 1 slide.

WHY SHARE RESEARCH FINDINGS?

Events like this are opportunities to engage with the community and other disciplines to help increase the reach, effectiveness, uptake, and implementation of health research.

ELIGIBILITY CRITERIA FOR PRESENTERS

Category 1: *Community members* who have partnered with a UT Health SA investigator on a community-engaged health research project.

Category 2: *UT Health SA Translational Science Students and KL2 Scholars and TL1 Trainees.*

TRAVEL AWARD PRIZES

Each category will compete separately for: **1st place - \$750 | 2nd place - \$500 | 3rd place - \$250**
