New Ideas?

If you have an idea for a new project please put it in the STX-PSYCH-PBRN GoogleDoc.

<https://docs.google.com/document/d/1Zlqp1DUlpgfAVBsBffvFNrMowcDHqxNejZNENmP-bsk/edit?usp=sharing>

What is the STX-PSYCH-PBRN?

The South Texas Psychiatric Practice-Based Research Network is an organization of community clinicians who collaborate with UT Health SA Researchers to conduct research projects on topics chosen collaboratively. In addition to participating in these projects, members also have the opportunity to present the project findings at different research events in addition to aiding in creating publications to disseminate findings.

Member Benefits:

How can the STX-PSYCH-PBRN benefit you?

- CME Credit for Member Activities
- PBRN meets virtually once a quarter via Zoom
- If you are interested in joining but have more questions please email preikschat@uthscsa.edu

Upcoming Meetings:

The next STX-PSYCH-PBRN meeting will occur in January 2021, however, please feel free to contact either Dr. Roybal (roybal@uthscsa.edu) or Bailey Preikschat (preikschat@uthscsa.edu) with any questions or concerns.
